

Name: _____

SUBTRACTION

Check Sums Using Subtraction

Use subtraction to check each sum.

1) $413 + 132 = 545$

$545 - 132 = \underline{\hspace{2cm}}$

2) $372 + 321 = 693$

$693 - 321 = \underline{\hspace{2cm}}$

3) $754 + 204 = 958$

$958 - 204 = \underline{\hspace{2cm}}$

4) $224 + 263 = 487$

$487 - 263 = \underline{\hspace{2cm}}$

5) $353 + 416 = 769$

$769 - 416 = \underline{\hspace{2cm}}$

6) $216 + 122 = 338$

$338 - 122 = \underline{\hspace{2cm}}$

7) $525 + 371 = 896$

$896 - 371 = \underline{\hspace{2cm}}$

8) $311 + 201 = 512$

$512 - 201 = \underline{\hspace{2cm}}$

9) $606 + 331 = 937$

$937 - 331 = \underline{\hspace{2cm}}$

10) $142 + 132 = 274$

$274 - 132 = \underline{\hspace{2cm}}$
